Dear Friends of Miss Rodeo Florida,

It's time for our Annual Membership Drive, so on behalf of our Board of Directors, it is my pleasure to take this opportunity to tell you a little about our organization in the hopes that you might like to join us in continuing the western traditions and lifestyle enjoyed by so many throughout our great state.

Our primary mission is to conduct an annual statewide pageant for the purpose of selecting a "Miss Rodeo Florida" and "Miss Teen Rodeo Florida" who will serve as official spokeswomen and ambassadors for our association and the Professional Rodeo Cowboys Association. During their reigns, they will travel extensively throughout the State, visiting as many rodeos, schools, community events and sponsor promotions as possible, while spreading their love and knowledge of rodeo, horsemanship, and our western way of life to all they meet. Another objective is to prepare the reigning Miss Rodeo Florida for the challenge of competing in the Miss Rodeo America Pageant in Las Vegas at the end of the year, by offering the necessary training, guidance and travel opportunities.

It is also the goal of MRFA, Inc., to assist in raising funds for these young ladies so that they may take full advantage of this wonderful opportunity. To do so, we plan fundraising events during the year, as well as solicit sponsorships and donations.

We hope our association sounds of interest to you, and ask that you consider becoming a member. We invite you to complete the attached **General Membership Application**, indicating your preference of an individual membership for \$25 or Corporate/Association Membership for \$100 (which entitles you to have anyone of your choice represent your business or organization), and return to the address noted. This is an annual membership, which allows you to attend meetings, contribute in discussions, volunteer on various committees, and learn more about our program. This is a non-voting position, but one that is certainly important. We are also working on plans for a quarterly newsletter (included with newsletter) that would contain program news and updates as well as road reports from our Queens. If you don't care to be an active participant, purchasing a general membership will keep you informed about what's going on, and a way of showing your support.

Thank you for considering the possibilities of membership with the MRFA, Inc. If you have any questions or comments, please feel free to contact us at the number listed above, or by email. Also, feel free to visit our website for more information.

Thanks,

Mark Kessler
